

Kiss

Korn

Some deny and search for things it never come around
Do I feel like a fool?
The places I have ran to all my life have disappeared
And I owe this all to you I'm feeling like I'm sinking
And nothing's there to catch me, keep me breathing What do I have to do?
Why can't this hurt be through?
I'm going head onto
Something I know I will fail
Why can't this kiss be true?
Why won't you please let me through
I don't understand why you always push me away Last thing I will like to do before it go away
Is cry there next to you
Cry and talk about the good all days and where they've gone
And now how much I hate you What do I have to do?
Why can't this hurt be through?
I'm going head onto
Something I know I will fail
Why can't this kiss be true?
Why won't you please let me through
I don't understand why you always push me away I feel the blood drip off my body as it goes right there I'm not,
now
What am I now?
What am I now?
What am I now? What do I have to do?
Why can't this hurt be through?
I'm going head onto
Something I know I will fail
Why can't this kiss be true?
Why won't you please let me through
I don't understand why you always push me away I don't understand why you always push me away Why you
always push me away? [x8]
