

# Modern World

## Social Genocide

This is the modern world  
This is the modern world  
What kind of fool do you think I am?  
To think I know nothing but the modern world  
    All my life is spent outside  
    I will turn my head and leave  
    Is my inspiration dry?  
I'll know more than you'll ever know  
    Even at school I felt quite sure  
    And one day I'll be on top  
    And I'd look down upon the map  
And teachers said I don't mean a thing  
    This is the modern world  
    That I look about  
    This is the modern world  
We don't need no one to tell us what's right or wrong

Say what you would like  
    'cause I don't care  
I know what I am and what to do  
    Somewhere I will see you  
Don't have to explain myself to you  
    Don't give two f\*\*\*s about you  
    This is the modern world  
    That I look about  
    This is the modern world  
We don't need no one to tell us what's right or wrong  
    Well this is...  
    Yeah we don't need no one  
        what's right or wrong  
        Wrong  
    This is the modern world  
    This is the modern world
