Awkward

San Cisco

Why do the stars fall at night?
Well are you here?I got your message last night
You didn't get mine 'cause you've been calling me for daysWhy do you hold on so tight?
What do you fear?I got your message last night
You didn't get mine 'cause you've been calling me for daysDa da da da da da da da daI wouldn't have gone to dinner
If I knew that you'd agree with everything I sayI left a message last night
You haven't called back I've been calling you for daysI have my keys at the gate
My mind is made up to make a quick escapeI left a message last night
You haven't called back I've been calling you for daysDoo doo doo doo doo doo dooI saw you at dinner last night
You were holding his hand I've been watching you for daysI thought I saw you last night
Get out of my life you've been stalking me for daysDa da da da da da da da da
