

Without You

[Emily Hearn](#)

Words are just words 'til you put 'em with a melody,
sing 'em from the tallest tree as a song.

Love is just love as you've seen it on the movie screen,
'til the moment that your dream comes along. I can't be me without you, don't wanna be without you.
It's like I can't breathe without you, don't wanna be without you. Time was just time 'til I started makin' plans
with you, every little thing you do is like a song.

Life was just like 'til the moment when love was true, suddenly I feel new and I belong. I can't be me without
you, don't wanna be without you.

It's like I can't breathe without you, don't wanna be without you.
Don't wanna be without you. You are the blood that's in my veins, you are my shelter in the rain, don't wanna
be without you.

You are the truth amongst the lies, you love me even when I cry, don't wanna be without you. I can't be me
without you, don't wanna be without you.

It's like I can't breathe without you, don't wanna be without you.

I can't be me without you, don't wanna be without you.

It's like I can't breathe without you, don't wanna be without you.

Don't wanna be without you.

Don't wanna be without you.
