## **Lazy Bones**

## **Green Day**

I'm too tired to be bored I'm too bored to be tired

And the silence is so deafening

It's like picking at a soreI'm too mental to go crazy

I'm too drunk to be pure

And my mind is playing tricks on me

And I can't sleep tonight'cause I'm so tired

I can't take it anymore

What with all the liars

Like a prisoner of warI don't want your sympathy, I don't want your honesty

I just want to get some peace of mind

It's only in my head, as I roll over and play dead

I don't want to hear it anymoreIt's good to see you

But I really must admit

There's an odor in the air

And I think you look like shitI can't stand from falling down

I'm too sick to throw up

Everyone keeps talking

And they can't shut the fuck up'cause I so tired

I can't take it anymore

What with all the liars

Like a prisoner of warI don't want your sympathy, I don't want your honesty

I just want to get some peace of mind

It's only in my head, as I roll over and play dead

I don't want to hear it anymoreI don't want your sympathy, I don't want your honesty

I just want to get some peace of mind

It's only in my head, as I roll over and play dead

I don't want to hear it anymoreI don't want to hear about it

I don't want to scream about it

I don't want to hear it anymore
