

The Fonz

Drop City Yacht Club

(Da da da da da da)
(Da da da da da da)My rock candy passion is bittersweet
And armed to the teeth
Cuz she would rather fall in chocolate
Than fall in love
Especially with meI stood under the waterfall
With a kiwi-pineapple parasol
As Cinderella dropped the crystal ball
And made a concrete cavern
A caterpillar concert hallI wish that we could sail our sad days away
Forever
In deep blue seas of paper mAchA
(Let's dance in the moonlight)
A barracuda chased our dog days away
Forever
Let's sink or swim 'til we fall in love
(And dance in the moonlight)
When we join the yacht clubI would rather go swimming
With great white sharks
Than wade in romance
Cuz I can never find the courage
To ask her to dinner
Or even to dance
(Dance in the moonlight)Don't sweat under your overcoat
Cuz my heart can harbor this paddle boat
You'll hit the bottom of the highest note
And the chatty tree frogs will never wanna
Leave your throatI wish that we could sail our sad days away
Forever
In deep blue seas of paper mAchA
(Let's dance in the moonlight)
A barracuda chased our dog days away
Forever
Let's sink or swim 'til we fall in love
(And dance in the moonlight)
When we join the yacht clubDa da da da da da da da
Da da da da da da da da
Da da da da da da da da
Da da da da da da da daLet go of the world you know

And plug in the partyin' lights
Soak your cares in the solar flares
That light up these island nights
Orange eclipse I can taste your lips
In the citrus afternoon
If you can fly don't stop at the sky
Cuz there's footprints on the moon
(With you)I wish that we could sail our sad days away
Forever
In deep blue seas of paper mAcHA
(Let's dance in the moonlight)
A barracuda chased our dog days away
Forever
Let's sink or swim 'til we fall in love
(And dance in the moonlight)
When we join the yacht club
(Let's dance in the moonlight)
When we join the yacht club
