

It Comes and It Goes

Nero

All the night time is the hardest time
And it knows all our minds
But it feels like the right time
To open my eyes You know me saying it
It comes and it goes
You know me saying it
It comes and it goes Oh the night time mystifies
So I'll wait for sunrise 'Cause it feels like we're out of time
And it's hard as we try You know me saying it
It comes and it goes
You know me saying it
It comes and it goes
You know me saying it Saying it You know me saying it
It comes and it goes It comes and it goes
You know me saying it You know me saying it
It comes and it goes
