

# Replicas

Gary Numan

It was hard to avoid  
I suppose, it was the shame  
But they didn't even try You see, we'd never met  
And they didn't have names  
There was nothing I could do So I turned on the crowd  
And I screamed, "You and you  
It could have been you" And they seemed to think  
That I looked that way  
Or maybe I was wrong So I said, "Do you know Mr. Wall"  
And they looked the other way  
And then they smiled at me But the police came  
And I said it was me  
And I just walked away
