

You Learn (Live at Subterranea, London 09/28/95)

[Alanis Morissette](#)

Oh, oh, ohI, recommend getting your heart trampled on to anyone, yeah
I, recommend walking around naked in your living room, yeahSwallow it down (what a jagged little pill)
It feels so good (swimming in your stomach)
Wait until the dust settlesYou live you learn, you love you learn
You cry you learn, you lose you learn
You bleed you learn, you scream you learnI, recommend biting off more than you can chew to anyone
I certainly do
I, recommend sticking your foot in your mouth at any time
Feel freeThrow it down (the caution blocks you from the wind)
Hold it up (to the rays)
You wait and see when the smoke clearsYou live you learn, you love you learn
You cry you learn, you lose you learn
You bleed you learn, you scream you learnI, I, oh, ohWear it out (the way a three-year-old would do)
Melt it down (you're gonna have to eventually, anyway)
The fire trucks are coming up around the bendYou live you learn, you love you learn
You cry you learn, you lose you learn
You bleed you learn, you scream you learnYou grieve you learn, you choke you learn
You laugh you learn, you choose you learn
You pray you learn, you ask you learn
You live you learn
