Disarm

Rockabye Baby!

Disarm you with a smile
And cut you like you want me to
Cut that little child
Inside of me is such a part of you
Ooh, the years burn
Ooh, the years burnI used to be a little boy so old in my shoes
And what I choose is my choice
What's a boy supposed to do?
A killer in me is a killer in you my love
I send this smile over to youDisarm you with a smile
And leave you like you left me here
To wither in denial
The bitterness of one who's left alone
Ooh, the years burn
Ooh, the years burn, burn, burnI used to be a little boy so old in my shoes
And what I choose is my voice
What's a boy supposed to do?
A killer in me is a killer in you my love
I send this smile over to youA killer in me is a killer in you
Send this smile over to you
A killer in me is a killer in you
A killer in me is a killer in you
Send this smile over to you
