

# Whisper In The Night

## Electric Light Orchestra

Whisper in the night  
Over silent evening air  
Angel's gown shines white  
All at once you're glad she's there Daughter of your dream shine a guiding light for me  
For I'll be here till light  
Whisper in the night  
Till she has forgiven me Night turns into gold  
So the tide may turn today  
Though God gave the world  
It's not mine to throw away Daughter of your dream shine a guiding light for me  
For I'll be here till light  
Whisper in the night  
Till she has forgiven me La da da -- da  
Whisper in the night  
Till she has forgiven me Help to face what the day may bring  
Angels sing  
You were sent to make the night be kind  
What will I find Snowflake bird she came  
Taking grey clouds from your door  
Face the midnight sun  
You have something to live for Daughter of your dream shine a guiding light for me  
For I'll be here till light  
Whisper in the night  
'Til she has forgiven me La da da -- da  
Whisper in the night  
Till she has forgiven me
