Contradiction

Contradiction

People raising high
With airplanes in the sky
We donâ€™t talk about
This contradiction
Did you ever thought
Our nature our God
People fly around â€¦â€™ fly around

The crowd is raising high
In airplanes in the sky
We will talk about
Its a contradiction
I did always thought
That our nature was our God
People fly aroundâ€¦â€™fly around

If you want to know
You got to let it go
People always speak
About this contradiction
Did you ever thought
Our nature our God
People fly aroundâ€¦â€™fly around

The fever raising high
Birds fly in the sky
People got to search
Itâ€™s a contradiction
You donâ€™t have to go
Just let the people know
Birds fly in the skyâ€¦â€™in the skyâ€¦â€™in the sky

If you want to know
You got to let it go
People always talk
About this contradiction
Did you ever thought
Our nature our God

People fly aroundâ€¦â€™fly around

Did you ever thought
Our nature our God
People fly aroundâ€¦â€™fly around

Did you ever thought
Our nature our God
