ä,,CE dirty, ä,,CE dirty í' Translation: You're the one who called me first

You're the one who asked me out first  
But from some time, absurdly,  
you haven't been calling as much, I haven't been seeing you  
Whenever we locked eyes,  
I fell into a deep lake called you  
and didn't think about anything else  
I trusted you like that but  
you inappropriately repay me by continuing to make me cry  
Why does love fly to me like a butterfly  
to give me scars and leave?  
All day I stare at my phone and on days I forget it at home,  
As soon as I get back, the first thing I do is check  
but there isn't a single text from you -  
why?

Hey, you! I... you!

You're dirty, you're dirty

Why are you playing with a person's heart?

I don't want to care from now on

A person like you is typical -

you're dirty dirty, you're dirty dirty

Why are you scratching up my innocent heart

I don't want to mind from now on

I'm too good for someone like you - you're dirty "Good-looking guys can be hard to deal with (naw)  
so be careful - he's not worth keeping" (wut?!)

I disregarded what people said

because I thought they were jealous

But that girl, that young girl,

those pretty girls are all gathered around

And I see your eyes wandering -

be careful, you'll get cross-eyed

Half the world consists of guys (guys),

but these days, there are more guys than girls

If you keep acting like you're all that,

let's see how long that lasts - am I right? (yes  
sir!)

Even if you beg me to forget,

clinging onto my leg, you're over

You still got guts to see me?

Stop trying to kiss me - you were a mistake, got it? You're dirty, you're dirty

Why are you playing with a person's heart?

I don't want to care from now on

A person like you is typical -

you're dirty dirty, you're dirty dirty

Why are you scratching up my innocent heart

I don't want to mind from now on

I'm too good for someone like you - you're dirty  
I thought it was real,  
but you've been so bad  
And I don't care anymore..  
You know why?  
What the...! Just thinking about it makes me mad,  
the history of you and I  
If I think about it,  
all your actions were so dirty dirty  
Even if time goes back,  
chances are zero but I'm not sorry  
You're dirty, you're dirty, you're dirty  
Just thinking about it makes me mad,  
the history of you and I  
If I think about it,  
all your actions were so dirty dirty  
I'm so sick of you! I'm so sick of you!  
You're dirty, you're dirty, you're dirty  
You're dirty, you're dirty,  
you're dirty  
You're dirty, you're dirty
