

Rock & Roll Girls

Alvin Lee

Bony Moronie, Peggy Sue
Dizzy Miss Lizzy, Kinny Minnie too
How I love them all
Yeah, how I love them all
I'm a rock & roll singer
Sure love my rock & roll girls Long Tall Sally, Suzy Q
Be-bop-a-lula, Lucille too
How I love them all
Yeah, how I love them all
I'm a rock & roll man
Sure love my rock & roll girls Oh well, I got a girl called Bony Moronie
She's as skinny as a stick of macaroni
Got a girl named Long Tall Sally
Well she sleeps in the kitchen
With her feet in the alley
Oh, how I love them all
Yeah, how I love them all
I'm a rock & roll fella
Sure love my rock & roll girls Blue Jean Baby, blue jeans on
Long Tall Sally, she's tall and long
Oh, how I love them all
Yes, how I love them all
I'm a rock & roll man
Sure low my rock & roll girls Be-bop-a-lula, red blue jeans
My Skinny Minnie is the queen of the teens
Oh, how I love them all, yes how I love them all
I'm a rock & roll man
Sure love my rock & roll girls
(Love that Lucille now) Well my Skinny Minnie is a crazy chick
Six foot high and one foot thick
Be-bop-a-lula, she's my baby
Well I love Lucille and I don't mean maybe
How I love them all, yes I love them all
I'm a rock & roll singer
Sure love my rock & roll girls
(Rock it for me girls) Short Fat Fanny, Runaround Sue
Blue Jean Baby and Suzy Q
Oh, how I love them all, yes I love them all
I'm a rock & roll man

Sure love my rock & roll girls.
