

Only in My Dreams (Re-Recorded Version)

Debbie Gibson

Everytime I'm tellin' secrets
I remember how it used to be
And I realized how much I miss you
And I realize how it feels to be free Now I see I'm up to no good (no, no, no)
And I wanna start again
Can't remember when I felt good, baby
No I can't remember when No, only in my dreams
As real as it may seem
It was only in my dreams Couldn't see how much I missed you (now I do)
Couldn't see how much it meant (ah, ah)
Now I see my world come tumbling down (tumbling down my world)
Now I see the road is bent If I only once could hold you (no, no, no)
And remember how it used to be
If only I could scold you
And forget how it feels to be free No, only in my dreams
As real as it may seem
It was only in my dreams No, no, no, no, only in my dreams
As real as it may seem
It was only in my dreams No, only in my dreams
As real as it may seem
It was only in my dreams No, no, no, no only in my dreams
As real as it may seem
It was only in my dreams No, no, no, only in my dreams
As real as it may seem
It was only in my dreams
