Y'all Don't Know Us

2Pac & Outlawz

Yo, I can see that you obviously don't know me or my homies
We OUT Lawz, fuck the phonies
A wise hustler once told me, it's on you
Though it was dreams when he first told me, now it's trueI got love for you only to a certain extent
Niggas ain't worth shit, cops and ride dick permits
I heard this and heard that about them OUT Lawz
Some of them soldiers got shot, some of them soldiers fell offFuck y'all now everybody tied to us
Hollering out a nigga name but never said what up
That shit critical, despicable, unforgivable
I too like hot knew your own fan won't remember youThuggin but we still spiritual, clear lyrical
I'm like the fuckin Deff Squad, my ears ain't hearin' yall
Pump fearin' yall but damn I ain't even wantin' to scare yall
Listen to what I tell yall, fuck the worldYour baby moms and your baby girl, you muthafuckas so fake
Yo they made me wanna earl
Blake, hate snakes thug hatin the degree
Outlawz on a paper chase, can you relate thug niggazWe will never fall, through it all, we'll always stand tall
Cause in the end we'll be remembered as
Some young muthafucka soldiers
And if you believe in that shit that you heard
Y'all dont know us, y'all dont know usNow I been trapped down and fucked from day one
This indestructible style of mine ain't no fun
Where I'm from, you sure to see about ten niggaz in a bedroom
Eating off the same spoon, sweeping with the same broomIt's a hazard, if you know what youre like, well, give me, grab it
I was born inside a love zone with a glock nine
Young marriage is critical, then one of them sat down
Living so mystical with influence with a heart full of anger
It's so ridiculousSo give me some with 21 gun soldier salute
With a 19 inch black handle snake knife in my boots
I'm straight from the strong, thug to your life
Right to your wrong, I'll put the good to your evil
I'm the shells to your chrome, you dig that?I'm life, I'll bring the moon to your night
I'll put the dick to your wife
And I'm the Jesus of your Christ
You dig that?Respect this
I'll bring the end to your claw
I'll bring the lock to your home
And I'll put the snoop on your dogs
You hear me?Well follow, this little bullet so hollow

I can promise that ecstasy, ain't promised tomorrow
With this two man mades, me and my soul, death a strayed
I watch my parents get blowed away, now look what it madeI'm something to face
This lunacy then with me, then with chemistry
Got my eyes on you, the first time you cross me
I'll be frying you, cause y'all don't know meWe will never fall, through it all
We'll always stand tall
Cause in the end we'll be remembered as
Some young muthafucka soldiersWhen we was kids, the loving felt good
But of course have the respect though it's even better
Now for this cheddar, niggaz is laying deader
Then Malcom and Martin put together
Oh Lord, only knows where we'll end upRemember what Pac said, watch the fuckin signs
But we wasn't listening, too busy trippin off his shine
Now one time for my muthafuckin' Outlawz
Napoleon, Noble and Kastro, may we all rollAnd if you don't know, we got the rap game Pedro
Scared cause we bout to release like heavy metal
Nationwide, underground, we running the ghettos
Stealing all of your fan base like we kleptosBitch, I can't let go, I been strugglin' too long, thuggin' too long
And niggaz is stealing my shit and busting it wrong
Hot shots holla back when you get 'em
Outlawz'll stick 'em, bustin' back at the systemMilitary wisdom, preparing myself for Armageddon
Breaking my balls at this game knowing it's a dead end
And my only weapon is my belief that I'm superior
Yeah we the muthafuckas that you niggaz is leery offControlling my steam knowing my team to deserve more
Fuck the reframe, stick to the game and earn more
Holding my head, rolling the head with focus
Laughing inside cause deep inside y'all don't know us, muthafuckasWe will never fall, through it all, we'll always stand tall, why?
Cause in the end we'll be remembered as some young muthafucka soldiers
And if you believe in that shit that you heard
Y'all dont know us, y'all dont know usWe will never fall, never, through it all, we'll always stand tall
Cause in the end we'll be remembered as some young muthafucka soldiers
And if you believe in that shit that you heard
Y'all dont know us, y'all dont know usAin't never know niggaz like us, boy
They don't make niggaz like us no more
Thug in peace, to all my niggaz
Never, never fall, never fall
See ya soon
