

Viva Torero

A la Carte

I'm sitting in this place again - where used to sit many times.

And the atmosphere is heavy when the pecaidores arrive.

All the people here around me stare

Full of tension down to the ring
Then the panish trunpets cut the air
When the man in black comes in - the torero
appears in the ring.

Ev'rybody's singin': Viva
viva Torero

Eviva el grande conrida d'Sevilla.

Everybody sing: Viva
viva Torero -

We all here adore you
you great Spanish hero.

Viva

viva Torero - Eviva el grande corrida d'Sevilla

Everybody sing: Viva
viva Torero -

We all here adore you
you great Spanish hero.

Que dios te accompane
take good care

mi amor
The fight takes all my breath away
there's no more mercy

oh no'cause both are fighting for their lives -

They are strong
wild and proud.

Then the last thrust - and the bull breaks down

And lies broken in the dust and the crowd is screaming above:

Ev'rybody's singin': Viva
viva Torero - .

Viva

viva - ev'rybody's singin': Viva

viva Torero

Viva

viva Torero -

Viva

viva Torero -
