Come With Me (Instrumental Version)

Xandria

I belong to a world of twilight and regret
Sing my songs to the ones who never hear it
The spell is cast, time is frozen for eternity
I know it lasts only till the sun is risingSinful is my heart, my darling
Let me share with youCome with me to a place far away
Come enter the world in the shadowsAll my scars are painted with the blood that I once have sppilled
My old heart had to see it all to win my freedomSinful is my soul, my darling
Let me share with youCome with me to a place far away
Come enter the world in the shadows
See through my eyes and feel what I feel
Come take my hand and just dare to believe
Come with me to a place far away
Come enter my world
