

# Guiding Star

## Cast

Get up, Get up, Get up, Get up Here comes my guiding star  
To take me home  
I've travelled lands afar  
We blindly roam We spread our wings  
In search of truth  
And all it brings  
We got a glimpse of a forgotten dream  
And we want it to pass to you Get up, Get up, Get up, Get up Two thousand years apart  
And still remain  
You carve into my heart  
A sacred name We spread our wings  
In search of truth  
And all it brings  
We got a glimpse of a forgotten dream  
And we want it to pass to you Get up, Get up, Get up, Get up A glimpse of a forgotten dream Here comes my  
guiding star  
To take me home  
I've travelled lands afar  
We blindly roam We spread our wings  
In search of truth  
And all it brings  
We got a glimpse of a forgotten dream  
And we want it to pass to you Get up, Get up, Get up, Get up...
