Where My Love

Tweedy

I want to watch you growing old and dumb
I want to see what you and I become
City arrow a mountain flame
I want to be born just the sameWhere all my love has gone
Where all my love has goneI had a dream we were cast away
I came to say this but you wanted to stay
I sail away, I woke up
I couldn't hold you long enoughWhere all my love has gone
Where all my love has gone
Where all my love has gone
Where all my love is gone
Where all my love has gone
Where all my love has gone
Where all my love has gone
Yeah where all my love is gone
