

# Cha Cha

## Tinted Windows

Rolling down the road  
Rolling like a stone  
Feel your engine roar  
Feel your body purr  
My cha cha  
You're my cha cha Putting down the smack  
Stepping on the gas  
Riding kinda low  
Everybody knows  
My cha cha  
You're my cha cha I just want you to feel me  
I just want you to hear me  
I just want you to heal me  
You're my cha cha  
You're my cha cha Cha cha  
Ch-ch-ch-ch-cha Nothing's gonna last  
We're just going fast  
Charging like a bull  
You're seeing red  
You're my cha cha  
You're my cha cha I just want you to feel me  
I just want you to hear me  
I just want you to heal me  
You're my cha cha  
You're my cha cha  
You're my cha cha  
You're my cha cha  
You're my cha cha  
OK
