

Salisbury

Uriah Heep

Somewhere in your eyes that very special glow
Something drawing me to where I do not know
I never really thought that I would lose myself
Now I'm going faster than anybody else You move without a sound and touch me with your hand
Just like the rain that fondles every grain of sand
This thing we're gonna do it's just for you and me
I'm gonna make it good, good as it can be, oh Your kiss is sweeter now, your breath is getting warm
We must take our time and last it through 'til dawn
I wonder will it be oh, I expect it to
There have been other girls, no one else like you I feel a power here, I never felt before
And I begin to see what drives us to want more
Oh, girl of all my dreams please tell me if I'm wrong
Because I've been blue but we belong, oh As time passed and all too fast I just knew we couldn't last
And I guessed that the end was near at hand, oh yeah
Though we tried our love inside it just crumpled up and died
What went wrong I will never, never understand you tell me why Alone again, how could you leave me?
Alone again I don't want to be
Alone again, yeah There's a line in a rhyme I was going to send to you
It says, 'All that is to be will surely be'
So oh, though you had to go 'cause you needed someone new
Is there still a chance that you'll come back to me?
I want you back you see Alone again, how could you leave me?
Alone again, how could you leave me?
Alone again, I don't wanna be alone again, yeah Somewhere in your eyes that very special glow
Something drawing me to where I do not know
I never really thought that I would lose myself
But now I'm going faster than anybody else You move without a sound and touch me with your hand
Just like the waves that fondle every little grain of sand
This thing we're gonna do it's just for you and me
And I'm gonna make it good just you wait and see, oh
