Tuscaloosa

Old Salt Union

The silence swept across the mark
Like a rifle ringing through the dark
This highwater's no hell of mine
In Heavens no time must be nice.
'Cause it's a long damn night in Tuscaloosa, just where I belong
Catch your train and I'll just stay 'til dawn
I spent a long damn time on a solution
The answers came and gone
Catch your train and I'll just stay 'til dawn.
We slipped outside a town apart
A steady buzz of a corner mart
Have you met the Devil's new right hand?
In a dark motel where The Bible stands.
'Cause it's a long damn night in Tuscaloosa, just where I belong
Catch your train and I'll just stay 'til dawn
In spent a long damn time on a solution
The answers came and gone
Catch your train and I'll just stay 'til dawn.
'Cause it's a long damn night in Tuscaloosa, just where I belong.
Catch your train and I'll just stay 'til dawn
I spent a long damn time on a solution
Answers came and gone
Catch your train and I'll just stay 'til dawn
