

Lullaby

Melinda McGlasson

Chorus: Be still my soul, come rest. My hiding place, safe in Your arms. I take refuge, there is no greater joy than knowing You, You are here with me, singing over me.

Verse 1: In the quiet, He speaks peace. His face I, alone seek. He sings over me....surrounding me. The still small voice, He gives lets me know that I am His He sings over me rejoicing over me.

Verse 2: You are the only, One in my life. You keep me steady, You guard my mind. Take over me....Take over me / You walk beside me, You hold my hand. You are my comfort, You help me stand. Take over me....Take over me....(Repeat Chorus) Tag: Lullaby...lullaby....lullaby
