

# Real Deal

George Jones

Dolled up to the nines, you got the eyes locked on tall and dark  
Well, he's mighty pretty but I'll bet he ain't worried a bit about your heart  
He's a real Casanova but I think I know you just a little bit better than that  
You need a real love that you can't get enough of not some Romeo act. But if your looking for the real deal what  
are you doing looking at him  
He ain't nothing but a cheap thrill, he can't love you like I will  
Let go of yor heart girl, take mine and give it a whirl  
If you're looking for love, you're looking at the real deal.--- Instrumental ---He's a smmoth talkin' fellow, he's  
gonna tell ya what your heart desires  
He's a real go getter and you outta know better than to think about playing with fire  
And if you ask me, honey, what you need is a good old fashioned romance  
I'm thinkin' maybe that you need baby ought give me love a little chance. If your looking for the real deal what  
are you doing looking at him  
He ain't nothing but a cheap thrill, he can't love you like I will  
Let go of yor heart girl, take mine and give it a whirl  
If you're looking for love, you're looking at the real deal.--- Instrumental ---If your looking for the real deal,  
what are you doing looking at him  
He ain't nothing but a cheap thrill, he can't love you like I will  
Let go of yor heart girl, take mine and give it a whirl  
If you're looking for love, you're looking at the real deal.  
If you're looking for love, you're looking at the real deal...--- Instrumental ---You're looking at the real deal...
