How Your Story Ends

Shining

I said Time waits for no one
I said Time waits for no one
I said Time takes a sweet revenge
You know I, I know how it endsYou can make a monkey of yourself
and try to pretend
But this is how Your Story EndsTime will turn the Trend
Time will turn the Trend
Time will turn the TrendTime is Not Your Friend
Time will turn the Trend
This is how Your Story Ends
You'll see every time you look around
Another lie has taken your crown
When old truths burn, the tables turn
When the tables turn, the old truths burnYou can make a monkey of yourself
and try to pretend
But this is how Your Story EndsTime will turn the Trend
Time will turn the Trend
Time will turn the TrendTime is Not Your Friend
Time will turn the Trend
This how Your Story EndsYou can make a monkey of yourself
and try to pretend
But this is how the Story Ends
Time is Not Your Friend
Time is Not Your Friend
So This is how Your Story EndsThis is how Your Story Ends
This is how Your Story EndsTime will turn the Trend
Time will turn the Trend
Time will turn the TrendTime is Not Your Friend
Time will turn the Trend
This how Your Story Ends
