

Stay With God

Ricky Dillard & New G

Stay with God, stay with God
Even though your way may seem hard
Stay in prayer just wait right there
Hear him answer, he knows and he cares
Lead- Hold on to God's unchanging hand (God's unchanging hand)
and keep the faith, you'll make it to your destiny
If you stay with him, stay with God
Stay with God (as directed) Stay with God
No matter what
You choose to do
Stay with, stay with God
Stay with God (as directed) Stay with, stay with God
Stay with God
