

# Twisted Logic

## C83 ft Tamra

Sunlight opened up my eyes  
To see for the first time  
It opened them up And tonight rivers will run dry  
Not for the first time  
Rivers will run Hundreds of years in the future  
There could be computers  
Lookin' for life on earth Don't fight for the wrong side  
Say, what you feel like  
Say, how you feel You'll go backwards  
But then you'll go forwards again  
You'll go backwards  
But then you'll go Created then drilled and invaded  
If somebody made it  
Someone will mess it up And you are not wrong to  
Ask who does this belong to  
It belongs to all of us You'll go backwards  
But then you'll go forwards again  
You'll go backwards  
But then you'll go forwards You'll go backwards  
But then you'll go forwards again  
You'll go backwards  
But then you'll go forwards
