

# FLY AGAIN

## Man with a Mission

Searching for the meaning  
Looking back what's leaving  
Falling down again you  
Lose control so easy Yet, the only reason  
There goes one more season  
Can't you see what you can do?  
All the things that you should lose Find what is the truth, life just seems so cruel  
Winner, loser never know who'll finally be the fool  
Just release your heart  
Light it on, Alert  
The one and only matter that's the story and the start Notice that you are not alone  
Yeah come with us now  
Break the wall down, yes we can Fly Again Life just comes and go  
Tomorrow never knows  
Stand up once again to  
Walk into the world for you The feeling is so new  
Believe in what you do  
Don't you ever be afraid in losing  
That's the clue Find what is the truth, life just seems so cruel  
Winner, loser never know who'll finally be the fool  
Yes you are not alone  
Yeah come with us now  
Let us start it on, here we can Fly Again  
Falling down again  
We meet again my friend  
Life just comes and go  
But tomorrow never knows  
Find what is the truth, life just seems so cruel  
Winner, loser never know who'll finally be the fool  
But you are not alone we are not alone  
We know what's waiting out there  
We know where we should go  
Living in the world is as he said  
"Running like a rolling stone" we go down  
The riddle and the rhyme is up to you  
Feel the beat and this sound  
You got to know You got to seize this now  
Ready when you are, we're always here. Off we go  
Fly Again
