Shook

Crada

Yeah, ooh, yeah, yeah, yeahThis girl, she got me shook
With her pretty brown eyes, her sexy little thighs
The way that she moves just gets to me
Keeps shakin' that thing, you're making me singShe got just what I like
Every day of the week, my babys so sweet
Come over here and turn off the lights
Well do it all night, your game is so tight, this girl she got me shookOn my way to catch a flick, just me and my click
Stand in line were already late 'cause the movie started at eight
Look around trying to compensate, take the first one that I see
Sit down and look beside, next to me this girl she blew my mindCant concentrate, feeling sweaty, getting butterflies, getting dizzy
Gotta keep it cool, gotta keep it slick, and remember shes just a chick
Tell me what is this I feel inside, never felt this way before all right
But I gotta keep it real tonightThis girl, she got me shook
With her pretty brown eyes, her sexy little thighs
The way that she moves just gets to me
Keeps shakin' that thing, you're making me singShe got just what I like
Every day of the week, my babys so sweet
Come over here and turn off the lights
Well do it all night, your game is so tight, this girl she got me shookFront row at the fashion show, lights down theyre ready to go
Lookin' up at the runway, saw the girl from the other day
She was sportin' some silky gear, didnt expect her to be here
Victorias got a secret, shes the girl that I want to be withCant concentrate, feeling sweaty, getting butterflies, getting dizzy
Gotta keep it cool, gotta keep it slick, and remember shes just a chick
Tell me what is this I feel inside, never felt this way before all right
But I gotta keep it real tonightThis girl, she got me shook
With her pretty brown eyes, her sexy little thighs
The way that she moves just gets to me
Keeps shakin' that thing, you're making me singShe got just what I like
Every day of the week, my babys so sweet
Come over here and turn off the lights
Well do it all night, your game is so tight, this girl she got me shookOoh, ooh, yeah, yeah, ooh, ooh, yeah, yeah
Ooh, ooh, yeah, yeah, girl you got me singing
Ooh, ooh, yeah, yeah, ooh, ooh, yeah, yeah
Ooh, ooh, yeah, yeah, sing the chorus for meThis girl, she got me shook
With her pretty brown eyes, her sexy little thighs

The way that she moves just gets to me
Keeps shakin' that thing, you're making me singShe got just what I like
Every day of the week, my babys so sweet
Come over here and turn off the lights
Well do it all night, your game is so tight, this girl she got me shookThis girl, she got me shook
With her pretty brown eyes, her sexy little thighs
The way that she moves just gets to me
Keeps shakin' that thing, you're making me singShe got just what I like
Every day of the week, my babys so sweet
Come over here and turn off the lights
Well do it all night, your game is so tight, this girl she got me shook
