Let Go

Vanessa Hudgens

Let go
All I wanna do is tonightThe day's been long, I just got home
And work is driving me crazy
I could do up, I could go out
But I'm feeling too lazyI wanna run, I wanna have fun
But I don't wanna work it
All I wanna do is go
And kick it with my crew tonightAll I wanna do is let go tonight
I'm feeling right, just wanna forget about it
All I wanna do is let go tonight
Wind it up, without my getupAll I wanna do is get down tonight
Move around tonight, don't really care about it
All I wanna do is let go tonight
I'm feeling free, tonight is just for meI count on you, you're coming too
Yeah, I'm hoping you feel it
'Cuz at my best and at my worst
Yeah, you've already seen itLet down your hair, the hell who cares?
Gonna let it all out
All I wanna do is go
And kick it with my crew tonightAll I wanna do is let go tonight
I'm feeling right, just wanna forget about it
All I wanna do is let go tonight
Wind it up, without my getupAll I wanna do is get down tonight
Move around tonight, don't really care about it
All I wanna do is let go tonight
I'm feeling free, tonight is just for meHigh heels just feels
Like a business stance, make it hard to dance
Tight shirt, short skirt
Just hurt, too much workA fake up of make up
Never handled the wet 'cuz I wanna sweat
All I wanna do is go
And kick it with my crew tonightAll I wanna do is let go tonight
I'm feeling right, just wanna forget about it
All I wanna do is let go tonight
Wind it up without my getupAll I wanna do is get down tonight
Move around tonight, don't really care about it
All I wanna do is go
And kick it with my crew tonightAll I wanna do is let go tonight
I'm feeling right, just wanna forget about it

All I wanna do is let go tonight
Wind it up, without my getupAll I wanna do is get down tonight
Move around tonight, don't really care about it
All I wanna do is let go tonight
I'm feeling free, tonight is just for meAll I wanna do is let go tonight
I'm feeling right, just wanna forget about it
All I wanna do is let go tonight
Wind it up, without my getupAll I wanna do is get down tonight
Move around tonight, don't really care about it
All I wanna do is let go tonight
I'm feeling free, tonight is just for me
