

# Don't Wake Me Up In The Morning Michael

## The Peppermint Rainbow

Don't wake me up in the morning, Michael  
Not if you're planning to say good-bye  
Don't touch my face in the morning, Michael  
I might begin to cry To see you walk out the door  
Would be more than I could take  
I wanna hide  
Please let me hide As long as I sleep, at least,  
I can keep on dreaming that  
You're by my side  
Right by my side Don't wake me up in the morning, Michael  
Unless you want me beyond tonight  
Please stay with me in the morning, Michael  
And hold me in the light Your lips are so close to mine  
But the time is running out  
And I'm afraid  
I'm so afraid I want you to be with me  
When the sun begins to warm my windowshade  
Oh God, I pray Don't wake me up, Michael Don't wake me up in the morning, Michael  
Unless you want be enough to stay  
I want you here in the morning, Michael  
Please don't go away (Don't wake me up) Don't wake me up  
(Don't wake me up) Don't wake me up  
(Don't wake me up) Don't wake me up Don't wake me up in the morning, Michael  
I might begin to cry (Michael, don't wake me up)  
Don't touch my face in the morning, Michael  
I might begin to cry Don't wake me up in the morning, Michael (fade out)
