

I Used to Be Irish Catholic

[George Carlin](#)

I used to be Catholic, now I'm an Irish American ya know, you grow.

Yeah.

I was from one of those Irish neighborhood's in New York,

one of those kinda Parish school's,

wasn't typical, it was Corpus Christie was the name of it.

Could have been any Catholic Church, Our Lady of Great Agony,

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
