Missing You (Single Edit)

Tina Turner

(C.Sanford/ J. Waite/ M. Leonard)
Producer: Trevor Horn
Album: Wildest Dreams (96)Everytime I think of you I always catch my breath
And I'm still standing here, and you're miles away
And I'm wondering why you left
And there's a storm that's raging
Through my frozen heart tonightI hear your name in certain circles
And it always makes me smile
I spend my time thinking about you
And it's almost driving me wild
And there's a heart that's breaking
Down this long distance line tonightI ain't missing you at all (missing you)
Since you've been gone away (missing you),
I ain't missing you (missing you)
No matter what I might say (missing you)There's a message in the wire
And I'm sending you the signal tonight
You don't know how desperate I've become
And it looks like I'm losing this fight
In your world I have no meaning
Though I'm trying hard to understand
And it's my heart that's breaking
Down this long distance line tonightI ain't missing you at all (missing you)
Since you've been gone away (missing you),
I ain't missing you (missing you)
No matter what my friends say (missing you)And there's a message that I'm sending out
Via telegraph to your soul
And if I can't bridge this distance
Stop this heartbreak overload
