

# Missing You (Single Edit)

Tina Turner

(C.Sanford/ J. Waite/ M. Leonard)

Producer: Trevor Horn

Album: Wildest Dreams (96)Everytime I think of you I always catch my breath

And I'm still standing here, and you're miles away

And I'm wondering why you left

And there's a storm that's raging

Through my frozen heart tonightI hear your name in certain circles

And it always makes me smile

I spend my time thinking about you

And it's almost driving me wild

And there's a heart that's breaking

Down this long distance line tonightI ain't missing you at all (missing you)

Since you've been gone away (missing you),

I ain't missing you (missing you)

No matter what I might say (missing you)There's a message in the wire

And I'm sending you the signal tonight

You don't know how desperate I've become

And it looks like I'm losing this fight

In your world I have no meaning

Though I'm trying hard to understand

And it's my heart that's breaking

Down this long distance line tonightI ain't missing you at all (missing you)

Since you've been gone away (missing you),

I ain't missing you (missing you)

No matter what my friends say (missing you)And there's a message that I'm sending out

Via telegraph to your soul

And if I can't bridge this distance

Stop this heartbreak overload
