Suicide

Bad Manners

I knew a girl with a mixed up head
I never thought she would wind up dead
She never meant to take her life
She went too far this time with a knife

Don't you know that she's a suicide?
Don't you know that she's a suicide?

No one saw inside her head
All they wanted was a body in bed
She worked with people all of the time
She watched her lolly, she lost her mind

Don't you know that she's a suicide?
Don't you know that she's a suicide?
Die
Suicide
Why?
Suicide

Tried so many times before
People just didn't listen no more
"Notice me, help me" she cried
Slashed her wrists and then she died

Don't you know that she's a suicide?
Don't you know that she's a suicide?
Now you know that she's a suicide
Now you know that she's a suicide
Die
Suicide
Why?
Suicide
