

# Control

## Broken Bells

Well it started as a game  
Using pleasure, using pain  
We got higher and higher that way  
But it didn't work today Even though it felt so right  
Nothing's permanent in life  
So it's useless to hold on so tight Well you gotta  
Give it up  
Give it up  
Give it up  
Ooh oh oh Give it up  
Give it up  
Ooh oh oh Give it up  
Give it up  
You lost control  
'Cause nothing stays around too long So now everything has changed  
And your heart's been rearranged  
Until nothing we've known here remains  
And you say you shouldn't stay As you're taking off your clothes  
You think it's love and I suppose  
It's just you endlessly needing control Well you gotta  
Give it up  
Give it up  
Give it up  
Ooh oh oh Give it up  
Give it up  
Ooh oh oh Give it up  
Give it up  
You lost control  
'Cause nothing stays around too long Nothing stays around too long  
Nothing stays around too long  
You lost control  
You gotta give it up
