Beep! Beep!

Louis Prima

Shorty been eyein' me
She lookin' like she thinking about tryin' me
She want it she can't take no more
I'm about to take her to my spot
I'ma get it hot, she gonna turn around and let me

Beep beep beep beep beep
She gon' let me
Beep beep beep beep beep
I am tear it up when I
Beep beep beep beep beep
She gon' let me
Beep beep beep beep
I'ma have her screamin' like
Go go go go go go
I'ma have her screamin' like
Go go go go go go
I'ma tear it up

Excuse me miss but sexy can I
Take you to my crib
Make love on my piano
Yea you know me lil' shorty from Atlanta
I wanna do some things to you
Touch your body make you get naughty
Say my name when I beep beep beep
We can do it in the pool or the Jeep Jeep Jeep
'cuz girl you know your turning me on

Shorty been eyein' me
She lookin' like she thinking about tryin' me
She want it she can't take no more
I'm about to take her to my spot
I'ma get it hot, she gon' turn around and let me
Beep beep beep beep beep
She gon' let me
Beep beep beep beep beep
I'ma tear it up when I
Beep beep beep beep beep

She gon' let me
Beep beep beep beep
I'ma have her screamin' like
Go go go go go go
I'ma have her screamin' like
Go go go go go go
I'ma tear it up

Got a pole in my condo
I can make it rain
Now make you clap for me
You driving me crazy
I know you want me 'cuz I want you girl
Tell me can we get it tonight
Lights camera action I'll play director
Turn you out let me sneak a peak

Turn you out on the late night creep
Ain't playin' no games tonight

Shorty been eyein' me
She lookin' like she thinking about tryin' me
She want it she can't take no more
Im about to take her to my spot
I'ma get it hot, she gon' turn around and let me
Beep beep beep beep beep
She gon' let me
Beep beep beep beep beep
I'ma tear it up when I
Beep beep beep beep beep
She gon' let me
Beep beep beep beep

I can tell the way she watchin' me
She love the way I swag out
Got enough to go around
Might as well pass it out
She said she like the way I work her out 'til she passin' out
Wanna be with a star well mama I'm a astronaut
Let her lick the wrapper I call that the Jaw Breaker
If her back was the law then call me a law breaker
Love the way she roll her hips
Is like she on the bean shoppin
Choppa make her lose her voice just like she on the Scream Machine
She said my Cavalli cologne be turning her on

Snd she a fiend because my black snake be makin' her moan
Like beep beep beep beep beep
All night we gon' freak freak freak freak freak

Shorty been eyein' me
She lookin' like she thinking about tryin' me
She want it she can't take no more
I'm about to take her to my spot
I'ma get it hot, she gon' turn around and let me
Beep beep beep beep beep
She gon' let me
Beep beep beep beep beep
I'ma tear it up when I
Beep beep beep beep beep
She gon' let me
Beep beep beep beep
I'ma have her screamin' like
Go go go go go go
I'ma have her screamin' like
Go go go go go go
I'ma tear it up

I'ma do it just like that
I'ma do it just like that
