

# Ruin

## The Pierces

This is the end of us  
You'll never hear my voice again  
You are ridiculous  
With your imaginary friends  
All that I want is for you to come to ruin  
All that I want is for you to come to ruin  
All that I want is for you to come crawling back  
This is the end of us  
And everything you said we'd be  
And all the love I bring  
I will be taking home with me  
I do not want for you to be happy  
I do not want for you to be happy  
All that I want is for you to come crawling back  
I want you to come to me  
I want you to come to me  
I want you to come to me  
I want you to, i want you to  
This is the first day  
Of many years of sorrow  
You won't forget my name  
But I'll forget your face tomorrow  
All that I want is for you to come to ruin  
All that I want is for you to come to ruin  
All that I want  
Is for you to come crawling back to me  
Is for you to come crawling back to me  
Is for you to come crawling back  
Is for you to come crawling back to me
