Break My Heart Again

Sawyer Brown

So tell me all about it, baby
How love's a conquest of the heart
How life's a motel for your dreams
It's just a runnin' startLove's an addiction, love survives
It's so connected to our lives
I look in your eyes and all I see
Is my life go bySo break my heart again on Monday morning
Crash the car into a bridge of sighs
Tear our love apart on Thursday evening
Put it back together Friday nightI keep on falling down your street
Oh, nothin' can save me now
No little voices speak to meLove's an addiction, love survives
It's so connected to our lives
It's like a lion in the dark, it waits for youSo break my heart again on Monday morning
Crash the car into a bridge of sighs
Tear our love apart on Thursday evening
Put it back together Friday nightLove's an addiction, love survives
It's so connected to our lives
And like a matinee, I watch as tears go bySo break my heart again on Monday morning
Crash the car into a bridge of sighs
Tear our love apart on Thursday evening
Put it back together Friday nightSo break my heart again, baby
Oh, nothin' can save me now
Put it back together Friday night
Break my heart again, baby
So break my heart again on Monday morning
