

# Streetlife Serenader

Billy Joel

Streetlife serenader  
Never sang on stages  
Needs no orchestration  
Melody comes easyMidnight masquerader  
Shoppin' center heroes  
Child of Eisenhower  
New world celebratorStreetlife serenaders  
Have such understanding  
How the words are spoken  
How to make the motionsStreetlife serenaders  
Have no obligations  
Hold no grand illusions  
Need no stimulation
