

# Not Of This World

## Petra

We are pilgrims in a strange land  
We are so far from our homeland  
With each passing day it seems so clear  
    This world will never want us here  
We're not welcome in this world of wrong  
    We are foreigners who don't belong  
    We are strangers, we are aliens  
    We are not of this world  
    We are envoys, we must tarry  
    With this message we must carry  
There's so much to do before we leave  
    With so many more who may believe  
    Our mission here can never fail  
    And the gates of hell will not prevail  
    We are strangers, we are aliens  
    We are not of this world  
    We are strangers, we are aliens  
    We are not of this world  
    Jesus told us men would hate us  
    But we must be of good cheer  
He has overcome this world of darkness  
    Soon we will depart from here  
    We are strangers, we are aliens  
    We are not of this world  
    We are strangers, we are aliens  
    We are not of this world
