

# Purple Stain

## Red Hot Chili Peppers

To finger paint is not a sin  
I put my middle finger in  
Your monthly blood is what I win  
I'm in your house now let me spin Python power straight from Monty  
Celluloid loves got a John Frusciante  
Spread your head and spread the blanket  
Shes too free and I'm the patient Black and white, a red and blue  
Things that look good on you  
And if I scream don't let me go  
A purple stain I know Knock on wood we all stay good  
'Cause we all live in Hollywood  
With Dracula and Darla Hood  
Unspoken words were understood Up to my ass in alligators  
Let's get it on with the alligator haters  
Did what you did, did what you said  
What's the point yo what's the spread Black and white, a red and blue  
Things that look good on you  
And if I scream don't let me go  
A purple stain I know And if I call for you to stay  
Come hit the funk on your way  
Its way out there but I don't care  
'Cause this is where I go Knock on wood we all stay good  
'Cause we all live in Hollywood  
With Dracula and Darla Hood  
Unspoken words were understood Its way out there but I don't care  
'Cause this is what I want to wear  
Knock on wood we all stay good  
'Cause we all live in Hollywood To finger paint is not a sin  
I put my middle finger in  
Your monthly blood is what I win  
I'm in your house now let me spin Feather light but you can't move this  
Farley is an angel and I can prove this  
Purple is a stain upon my pillow  
Let's sleep weeping willow Black and white, a red and blue  
Things that look good on you  
And if I scream don't let me go  
A purple stain I know And if I call for you to stay  
Come hit the funk on your way  
Its way out there but I don't care

'Cause this is where I go Knock on wood we all stay good  
'Cause we all live in Hollywood  
With Dracula and Darla Hood  
Unspoken words were understood Its way out there but I don't care  
'Cause this is what I want to wear  
Knock on wood we all stay good  
'Cause we all live in Hollywood
