

Something That We're Not

Demi Lovato

I should've known when I got you alone,
That you were way too into me to know,
This isn't love boy this ain't even close
But you always think we're something that we're not.
And now you call me every single night,
I only answer 'cause I'm too polite,
We happened once or maybe it was twice,
Yeah you always make it hard for me to stop,
But you, always think we're something that were not, hey!
You wanna be more than just friends,
I can't go through this again,
Stop trying to get inside my head,
Don't wanna do more than just hook up,
It's getting stupid 'cause I should've known but I forgot,
That you think we're something that we're not!
I hear you're telling everyone you know,
That I'm the one like you can't let me go,
And you just keep on blowing up my phone,
Cause you never seem to know when you should stop,

Don't introduce me to any of your friends,
Delete my number don't call me again,
We had some fun but now it's gonna end,
Yeah you always make it hard for me to stop,
But you, always think we're something that were not, hey!
You wanna be more than just friends,
I can't go through this again,
Stop trying to get inside my head,
Don't wanna do more than just hook up,
It's getting stupid 'cause I should've known but I forgot,
That you think we're something that we're not!
You, think we're something that we're not.
Yeah you, think we're something that we're not.
Not gonna happen dude.
You wanna be more than just friends,
I can't go through this again,
Stop trying to get inside my head,
Don't wanna do more than just hook up,
It's getting stupid 'cause I should've known but I forgot,

That you think we're something that we're not!
Yeah you, think we're something that we're not.
