

I Used To Hate Cell Phones But Now I Hate Car Acci

Norma Jean

Run far away from what you have created
You have created this drama
Dancing around the truthMy God rain down power
My God rain down fire
WarWith these diamonds you cut your throat
Code red
Cut throar victim
The outside looks so good
It is so simple and yet they don't find
It is so simple and yet they don't mind
They tradegy is the ignorance behing the clean casket
On the outside they look so good
They are walking to wall street in a straight jacket
