Follow Me

Virtue

Verse 1:
There was a time where I was trying to fight on my own
Thinking that I was strong enough to get through it alone
But when problems piled up heavily burdening me
I called on him he stepped in and saved me mercifullyB-sec
(When I) when I think of all he's done to be
Closer to me it's overwhelming just to think
To think he gave his life for you and me yeah
Is more than enough to persuade me all he asked wasHook
All he asked was follow me so I gladly go
Cause he's the one who carries me when I can't take no more oh
Every time you see me you don't really know that
My father is who you see working through me so just knowVerse 2:
By his grace alone I'm livin' to see brighter days
And with his light I know he directs me in all of my ways
Always here with me faithful friend never leaving my side
Don't know where I'd be without him truth be told and that's whyB-secHookBridge/Vamp:
He's my light
Gives me life
He who strengthens me
Is in fact who you see
Cause he's working in me
Never once failed a soul
Who truly believed
The living proof is me
I'm just one of manyHook-Vamp Out-
