Symphonic

Emm Gryner

You're running through the underground
Hiding your real first name
I always said you were the real star
You move like a hurricane through the painYou said, "Don't forget about me
Don't forget about me"
Like I'd ever forget about you
How could I just change my mind?When all the sun shines down on you
Everyone's a lie but you're so true
You're symphonic, you're the light of the moon
How could I forget you?There's a whisper in the limo
Thousands of miles away
But there are no lies in your blue eyes
Only a summer day, oh, a sweet summer dayWhen all the sun shines down on you
Everyone's a lie but you're so true
You're symphonic, you're the light of the moon
How could I forget you?You're a star, a dream that never ends
Fireworks around the bend
An angel on the river Thames
You must knowYou're all the lights on new years eve
Quiet on the raging sea
How could I forget you?
How could I forget you?You said, "Don't forget about me
Don't forget about me"
Like I'd ever forget about you
How could I just change my mind?When all the sun shines down on you
Everyone's a lie but you're so true
You're symphonic, you're the light of the moon
How could I forget you?When all the sun shines down on you
Everyone's a lie but you're so true
You're symphonic, you're the light of the moon
How could I forget you?You said, "Don't forget about me
Don't forget about me"
