

Fully Known

The School of Worship

Fully known and fully owned by love
You bought me with you blood
full of grace and truth you came to us
With mercy like a flood

God of all my dreams
You came and died for me
You have washed me clean
And caused my eyes to see
I'm wholly yours, you are mine

Shown in love the son of God in flesh
Revealed eternal rest
To redeem the sons of men to Christ
Those purchased by His life

God of all my dreams
You came and died for me
You have washed me clean
And caused my eyes to see
I'm wholly yours you are mine
