Marie Jolie

Aphrodite's Child

Sometimes i feel
That i'm all alone
And i wonder what i'd do
If i couldn't turn for you
You are all my life
And more
Take this love i give
Oh marie jolie
Oh marie jolieThe seasons change
But love remains
Growing like a rose in spring
All the summer love can bring
I just find my life
When i'm with you
You are all i have
Marie jolie
Marie jolie[interlude]I know there'll be
Sad times for me
That as long as you are there
I know that i'll need not to care
Love is everywhere you are
My life is the girl
