

# Rescue Me

## Crabb Revival

Lord I'm sorry for all the times I've let you down  
And for the failure of my flesh that seems to keep me bound  
Lord I don't deserve your mercy or your grace  
Please take this pain and save me from this place

(Chorus)

Rescue me, rescue me  
Loose the chains from this prison, set me free  
I need to feel your prescence once again  
I'm ashamed of the places I have been  
Please rescue me

I know it's been a long time since we've spoken  
And there were many time's my Family's Heart's were broken  
But lord here desperately, I'm calling out to you  
Take away this pain and pull me through

(Chorus)

Everyday is another fight  
I'm tired of all these sleepless nights  
Lord here my cry!

(Chorus)
